Rama, the present occupant, consents to relinquish the land in question (Plod no 3) provided he is given ~~that~~ double its extent, viz 8-34 A-G. out of Gomal, as compensation and that therefore the question may form the subject of a separate reference.

4. As to the 1st & 11th query, the D/C: Commr says

2. that there are about 100 small tombs in it;

3, and, that it is not known why these facts were not brought to notice at the time of S. Settlement

5. This land being too

Then again, if the land is unfit for cultivation and has always been lying waste, why should another land, double its extent, be given in lieu therefor. Letter No. 321. S dy: the 20th September 1905.

States that under the orders of the Dy Comr, the land was being used as a burial ground from 1892 to about 1901, and that its use for the purposes has ceased since the improvement of the Alurpeta owing to its proximity to the L. F. Dispensary, which is located on another part of Sur: No. 20, and that as the land was taken up in 1892, it is but fair to give its owner double the extent taken up according to the promise made to him by the Dy Comr.

The Dy Comr has not sent up the ver: records nor the alienation and gomal statements. Draft calling for the same is submitted for approval or orders.

Again the name of the Khatedar is given as Santhaiya, and the land in question is said to be at present in the possession of one Ramaiya. The Vernacular Records forwarded by the Dy. Comr. show that it is Ramaiya who has applied for lands in exchange, and his title to the land seems to have been admitted.—

Draft sanctioning the acquisition and alienation is put up for approval or other orders.—

The person to whom the lands are really to be given in exchange will be determined, when that is being done. The doubt need not affect the acquisition of the land, as when a land is required for a public purpose, its ownership is immaterial save in so far as it is necessary to decide the proper person to receive the compensation

Sir,

With reference to Government Proceedings No 1062 0—621 Dated R. F. 63-96 30th May 1897, requiring further particulars regarding the alienation of Phode No 3, measuring A. G. 1—37, formed out of Survey No 20 of Alur, for Khabarasthan of Muslimans, I have the honor to state that the original Khakdar, Santaiya of the said land, is reported to have left the village a long time ago, his whereabouts not being known one Rama, a Madigar is said to

have

have purchased the land from the heirs of the said Khakédar and is now in possession of it. It is re-ported that this Rama consents to relinquish the land if he is given double its extent out of Sonal as com-pensation. But this question may be considered separately.

2 ——— It is also reported that this land is said to be used as Khabara-than for the past 3 or 4 generations and it contains about 100 small tombs. It is not known why this fact was not brought to notice at the survey settlement. But it is probable that as the land was lying waste and the Khakédar did not object to its use as a burial ground, the same was not alienated.

3 ——— As this land is too close to the village, I have ordered that

that future burials of dead bodies should not be allowed and that a separate piece of land should be selected for the purpose. But as there are tombs in the greater portion of the land unfitting it for any other use, sanction is solicited for the alienation of the said Phade No 3, extent A. G. 1 – 37 for a burial ground. A sketch shewing the land is submitted (vide page 80 in the enclosed Vernacular file) as also an alienation statement.

4 —— The Vernacular papers, ending with Asst Deputy Surveyor's report No 432/417 dated 17th February 1898, are also submitted for needful reference and kind return

Bangalore

Sir,

With reference to your docket no. R 2388 - L.R. dated 22nd Ultimo forwarding copy of docket No 9335 - R 3041 dated 29th March 1898 regarding the alienation of Plot 3 of Survey number 20 of Alur village in the Alur Sub Taluk I have the honor to state that it appears from the records that Mr P.V. Ramaiya, when he was Deputy Commissioner of this District after personal inspection, ordered on 16.11.92 that this land should be set apart for a Mohamedan burial ground as it was then found to

to have been used as a burial ground for a very long time and that, in exchange thereof, land double this extent should be ~~shoded~~ in ejmal Survey number 42 of Alur village and given to the occupant. Accordingly the land in question was being utilized by the Mohamedans as a burial ground having been long left Banjar and owing to the improvement of the Alur Petta, by the location of a Sub Taluk cutcherry & L. F. Dispensary &c, it is reported that this land has not been used as a burial ground during the past 3 or 4 years, as the land is quite close to the dispensary building which stands on another Plot of the same Survey number just in front of the Sub Taluk Cutcherry and contiguous to the Alur Petè.

2- Since the land was taken from the occupant so far back as 1892, under the orders of Mr. P. N. Punnaiya as above stated

stated, it is but fair that double the extent promised should be given to the occupant the land in question being reserved as a compound for the Hospital Building. — I therefore solicit sanction to the alienation + grant of the extents of land in lieu of that taken from him.

3 — Concerning the delay in the disposal of the matter, I beg to state that, on receipt of Your docket no 9335 / Q3041 dated 29th March 1898, the Deputy Amildar of Alur Sub Taluk was directed to report on the points raised therein — He furnished incomplete information on the points raised — As lands had to be granted to others in the Lyonal Survey number 42 in question in lieu of other lands taken up for Municipal purposes, he was required in this office order no 195 dated 6.1.1900 to furnish fuller particulars. — In reply, the Deputy Amildar

Amildar submitted a report on 26.9.03
to the Treasury Assistant Commissioner
who sent up the records to this Office on
12th October 1903 which were referred to
the Municipal Department - Subsequently
the record was referred to the Revenue Accounts
Department on 24th February 1904 for formal
and other statements being obtained - The
Deputy Amildar was thereupon required
to submit the usual formal statement to
together with the prescribed memorandum
Since the occupant of Khod 3 of Survey number
20 had to be given land in formal Survey No
42. The Deputy Amildar reported on 22nd
April 1905 that, the question of giving lands
in lieu of those taken up by the Municipality
having been reserved for the inspection of the
Huzur Jamabandi Officer, the records would
be submitted after such inspection.
The same were received from the Deputy
Amildar with report number 28 on 31st
August 1905 concerning which further
information had to be called for and
was

was received with the Deputy Auildars report

number 47 Dated 8th Instant.
